

DEPARTMENT OF THE AIR FORCE
460TH SPACE WING (AFSPC)

FEB 15 2017

MEMORANDUM FOR NEWLY ASSIGNED PERSONNEL

FROM: 460 SW/CC
510 South Aspen Street (88)
Buckley AFB CO 80011-9572

SUBJECT: Welcome to Buckley Air Force Base

1. Congratulations! You have been selected for one of the best assignments of your career. On behalf of the men and women of Buckley Air Force Base, welcome to Colorado and Team Buckley.
2. You are joining an award winning team of military and civilian professionals who provide combatant commanders with superior global surveillance, missile warning, expeditionary forces and support to homeland defense missions. This installation supports 95 mission partners and 13,000 people serving here on Buckley Air Force Base. I'm counting on you to be an integral part of this important team.
3. Upon arriving at Buckley AFB, your first stop should be your gaining unit to schedule in-processing appointments. In-processing occurs in the Military Personnel Section Customer Support Element located in Bldg 606. Please remember, in-processing is a mandatory military appointment and should be accomplished in duty uniform. The wing "Newcomers Orientation" is a mandatory military appointment for uniformed personnel. I strongly encourage family members to attend this orientation, as they will find the information very helpful.
4. As soon as you arrive at Buckley, you will discover the excellent support and services available not only on the installation, but also in our local community. We all strive to make Team Buckley the best. I ask all of you to take a moment to familiarize yourselves with our strategic intent, mission and vision. Here at Buckley, our priorities are Mission Excellence, Airmen and Families and Installation Readiness. You can view more information on these priorities and submit ideas for improvement on our website: <http://www.buckley.af.mil/460SWStrategicIntent>.
5. Additionally, your sponsor is another valuable resource for information or you can contact the Buckley Airman and Family Readiness Center at DSN 847-6681. Again, welcome to Buckley Air Force Base, the home of the Panthers and the home of missile warning!

A handwritten signature in black ink, appearing to read "D. Miller", is positioned above the typed name.

DAVID N. MILLER, JR., Colonel, USAF
Commander
